ABOUT

VJ DAYDREAMER is a live visual artist creating immersive audiovisual experiences for festivals, events and alternative stages.

Through organic forms, sacred geometry and psychedelic aesthetics, my work explores the connection between sound, nature and consciousness.

For over 10 years, I have performed at international festivals and collaborated with artists, labels and decoration teams across the psytrance scene.

ARTISTIC VISION

PSYCHEDELIC WORLDS • ORGANIC GEOMETRY • TRANSFORMATION

"Transforming music into living worlds"

IMMERSIVE VISUAL EXPERIENCES
